PRACTICAL 2: ETHERNET CABLE CONSTRUCTION

Group Members

Gerald Louw

Kamohelo Lepita

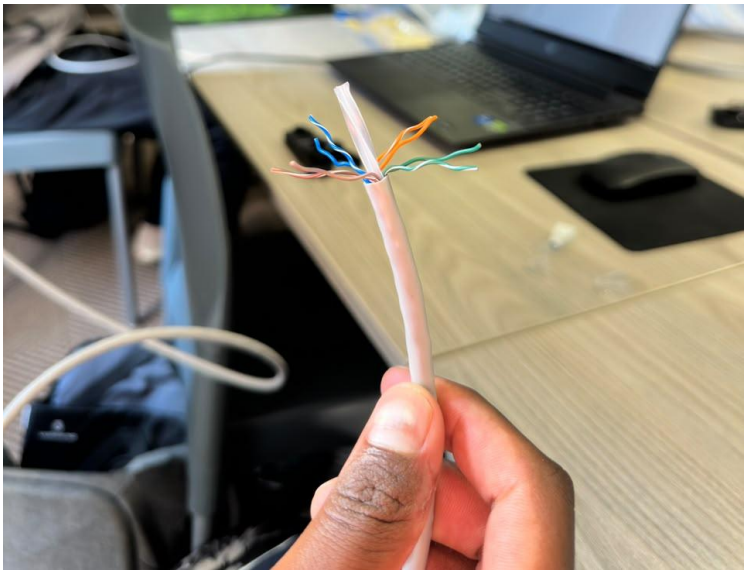

Janco Van Wyk

Objective

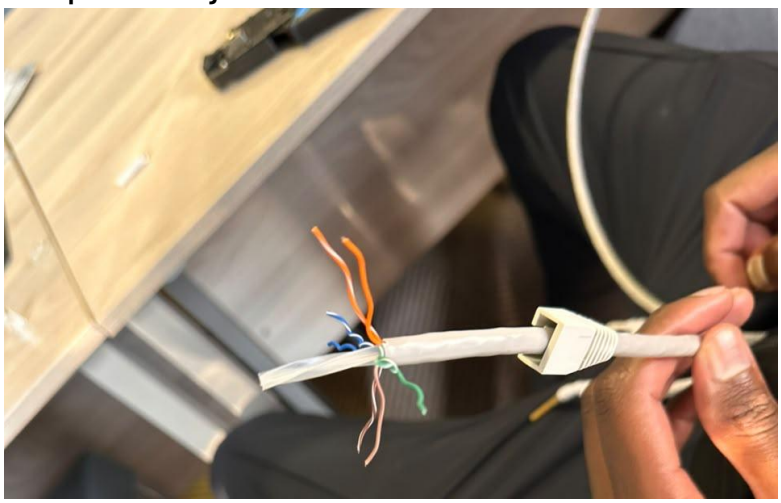

Construct and test Ethernet patch cables using T568B.

Activities

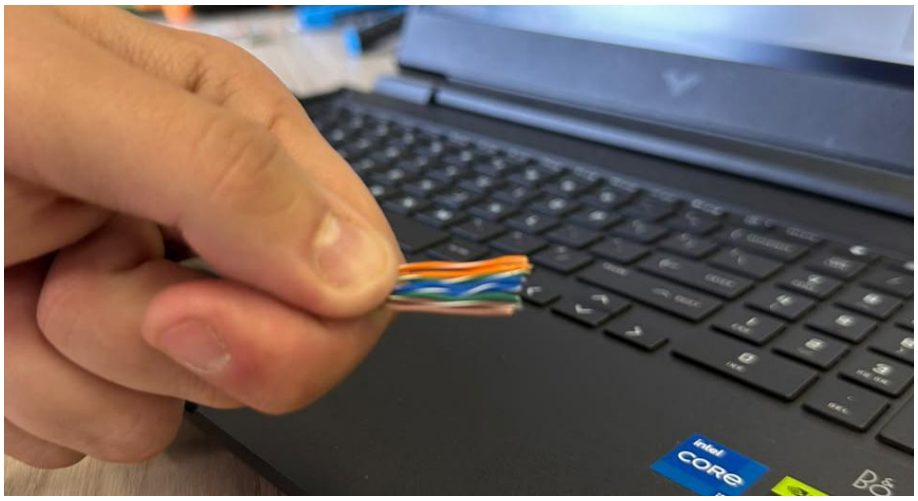

1. Measure and cut cable.

2. Strip cable jacket.

1. Arrange conductors according to T568B.

2. Crimp RJ45 connectors.

3. Test completed cables.

T568B Wiring Standard

1. White/Orange
2. Orange
3. White/Green
4. Blue
5. White/Blue
6. Green
7. White/Brown
8. Brown

Deliverable

Three tested Ethernet cables.

Assessment Rubric (10 Marks) **Criteria**	**Marks**
Correct cable sequence	4
Cable preparation	2
Crimp quality	2
Connectivity testing	2
Total	**10**
